Subject: Appointment to the post of Chairman, Damodar Valley Corporation (DVC) on deputation basis through Search-cum-Selection Committee (SCSC).

Name of the Organisation: Damodar Valley Corporation (DVC)

Name of the Post : Chairman

Pay Scale : Rs. 2,00,000-3,70,000 + admissible allowances (IDA Pattern)

Place of Posting : Kolkata

1. COMPANY PROFILE

The Damodar Valley Corporation (DVC) is a Statutory Body established under the Damodar Valley Corporation Act, 1948. It is a major power utility in the Eastern Region of the country, playing a key role in the unified development of the Damodar Valley basin in the States of West Bengal and Jharkhand. Main functions of DVC are generation, transmission and distribution of electricity. Its subsidiary activities are flood control, irrigation, soil conservation & afforestation, industrial, economic and other development of Damodar Valley area. DVC provides power supply to the core sector industries like coal, steel and railway in its command area. The present employee strength of the Corporation is around 7,000 belonging to various disciplines. The installed Thermal and Hydel capacity of the Corporation is 7090 MW & 147.2 MW respectively, making a total capacity of 7237.2 MW.

The primary stakeholders of the Corporation are (i) the Central Government, (ii) the Government of Jharkhand and (iii) the Government of West Bengal. The capital fund of the Corporation as on 31-03-2019 is Rs. 5643.22 crore (Central Government: Rs. 1820.67 crore, West Bengal Government: Rs. 2041.00 crore and Government. of Jharkhand: Rs. 1781.55 crore.). The Headquarters of DVC are located at Kolkata, West Bengal.

2. JOB DESCRIPTION AND RESPONSIBILITIES

Chairman will be the Chief Executive Officer and Head of the Corporation and accountable to its Board of Directors and the Government. Chairman will be primarily responsible for conceptual thinking, policy formulation and issuing directions in relation to its multi-pronged activities. Detailed functions of the Chairman entail long range planning, organizing, coordination and control over the administrative activities of the various departments (including Thermal Power Stations and Dams) to ensure optimal achievement of the objectives of DVC. He will be responsible for the efficient functioning of the Corporation for achieving its corporate objectives and performance parameters. He will maintain close liaison with the Government of India, Government of Jharkhand, Government of West Bengal and other Public/Private organisations. He will monitor closely the administrative, technical and financial matters with the advice and assistance of other Members.
