NOTICE

One-time settlement of old outstanding dues of the reconnected/disconnected retail consumers of DVC in the State of Jharkhand by providing relief in delay payment surcharge

It is hereby notified that Damodar Valley Corporation is introducing Delay Payment Surcharge (DPS) Waiver Scheme in full/part in respect of retail consumers under regulation 13.11 and 13.12 of Jharkhand State Regulatory Commission (Electricity Supply Code) Regulation 2015.

The scheme shall remain open for 60 (sixty) days from the date following the date of notification of the scheme (till 5PM on the last date).

The scheme would be available to reconnected/disconnected retail consumers or new/prospective retail consumers at the disconnected premises having outstanding dues as on date, towards recovery of outstanding dues along with full or partial relief of DPS under DPS relief scheme (power supply at 33KV or above voltage level). The scheme will be applicable for retail consumers whose power supply (33KV or above voltage level) is disconnected on or before 31.12.2020.

The retail consumers reconnected on or after 01.01.2021 and remained disconnected continuously for more than 365 days and availing of DVC's existing instalment policy towards liquidation of old and outstanding dues may also avail this scheme. However, in that case, the proposed policy will be applicable for the balance part of the principal dues only from the date of implementation of the scheme.

The prospective consumer has to pay at least one instalment prior to reconnection along with its charge. Also, security deposit commensurate with Contract Demand is to be paid in full as per relevant provisions of JSERC Regulation from time to time.

The scheme is applicable for DVC's retail consumers only.
