May Day 2015
To build up coherency and mutual understanding among DVCians working in the different field formations, our Chairman Shri A W K Langstieh, visited three projects located at upper valley on three consecutive days.

On the first day of his tour, when he reached Maithon Hydel Station on May 2, 2015 he was warmly welcomed by employees of the project. He along with his family members descended into the tunnel to reach underground Power House by walking and interacted with each of the employees present there.

Thereafter, the Chairman proceeded to the Barhi Sub Station on the second half of the day where another welcome was awaiting for him. Here, he looked round the surrounds of the Sub-Station. He also desired for a group photograph with the employees of the project.
Visit of Chairman at Hazaribagh Sub-Station

On the second day of site visit, the Chairman arrived at Hazaribagh Sub-Station on May 3, 2015 and he received a warm welcome from the employees of the Sub-Station. Then, Shri Langstieh along with other officials looked round the control room, switchyard etc and he met the cross section of employees of the project.

Thereafter, the whole team visited the Hazaribag Forest area.
The third day of Chairman’s visit, started with a traditional reception from the trainees, teachers and local people when Shri Langstieh arrived in the premises of DVC, SIP run Sewing & Embroidery Training Centre at Tilaiya in the morning. The albums containing the works of embroidery prepared by the trainees, were shown to the Hon’ble Guests.

Thereafter, the whole team visited SIP, KTPS adopted Nabosrijit Primary School at Dumurdiha. Here, Shri & Smt Langstieh spent some time in conversation with the students, their parents and teachers of the school. He also presented school bags, study materials and chocolates to the students.

In the midday, the whole team visited the site of ash pond of KTPS.

In the second half, the Chairman reached in the Chacha Nehru Island of Tilaiya Reservoir by boating and enjoyed the unparallel picturesque surroundings. As a mark of her visit, Smt Langstieh planted a sapling at Chacha Nehru Island, Tilaiya Dam, on May 4, 2015.
APDCL Signs Power Purchase Pact with DVC

The Assam Power Distribution Company Limited (APDCL) signed an agreement on power purchase with the Damodor Valley Corporation (DVC) for 75 MW of power for an initial period of three months from May 1, 2015. The agreement was signed by Shri Amitava Nayak, Executive Director (Commercial) on behalf of DVC and Shri M K Adikari, General Manager (TRC) on behalf of APDCL in presence of Shri A W K Langstieh, Chairman DVC, Shri K V Eappen, Chairman, APDCL, and Shri R L Barua, MD, APDCL.

With this arrangement, it is expected that the Assam State’s power situation will improve further during the coming days said APDCL in its Press release.
On the occasion of the death anniversary of Ex-Prime Minister of India, Late Shri Rajiv Gandhi, ‘Anti Terrorism Day’ was observed at DVC Headquarters as well as field formations on 21st May 2015. A pledge (as below) was taken by the cross section of DVC employees throughout the valley. The objective behind the observance of Anti-Terrorism Day is to wean away the employees from terrorism and violence.

The Pledge

“We, the people of India, having abiding faith in our country’s tradition of non-violence and tolerance, hereby, solemnly affirm to oppose with our strength, all forms of terrorism and violence. We pledge to uphold and promote peace, social harmony and understanding among all fellow human beings and fight the forces of disruption threatening human lives and values.”
The training module was comprised of the following topics:
1. General Safety Awareness
2. Basic Electrical Safety

In interactive session, faculty members and the participants came close to each other for open discussion on the topics and they also shared their experiences in this regard mutually.

A one-day training programme on ‘Safety in Handling Electrical Equipment’ was organized by the HR Wing, DSTPS on May 15, 2015 for executives of the project. Twenty Two (22) executives from different sections participated in the programme which was inaugurated by Shri Prabal Mukherjee, C E & HOP of the project.
Blood Donation Camp at Panchet

SIP Wing of Panchet Dam organized a Blood Donation Camp at Panchet on April 28, 2015 in association with PMC Hospital, Dhanbad and Maithon Blood Donors’ Association.

The camp was inaugurated by Shri S.K. Gupta, DCE (M) & HOP, Panchet Dam, as Chief Guest of the programme.

Nearly 30 units of blood were donated by the volunteers of SIP, Panchet Project.
Recently, SIP wing of Panchet Dam organized a ‘Free Cataract Screening & Eye Camp’ at Panchet in association with Netaji Eye Hospital, Purulia and Neturia Cultural Society. A large number of patients attended the camp from local villages. Among them 107 cases were selected for IOL operation.

The expenses for operation, lens, medicines, spectacles and conveyance were borne by DVC.
Damodar Valley Corporation (DVC) has achieved an all time high generation of 4504 MW power at 22:39 hrs on 26.05.2015.

The Chairman, Shri A W K Langstieh, while appreciating this great feat said that this was possible due to the hard work, dedication and efficiency of DVC employees and expressed that DVC is committed to supply affordable and reliable power to the Nation.
One ‘Health Check-Up and Awareness Camp’ for school students was organized at Navsrijit Prathmik Vidyalaya, Dumardiha on May 20, 2015 by SIP Wing, KTPS. The camp was inaugurated by Sri A.K. Banerjee, C E & HOP, KTPS in presence of Shri B. Goswami, SE (C), Dr Ashok Kumar, MOIC, Dr Anand, MO and Shri S K Dhara, AE (C) of the project.

As many as, 135 students along with their parents attended the camp. The objective of the camp was to educate the attendees about the basic hygiene, like, ‘cleaning of hands before taking any food by hands’, ‘cutting of nails in time’, ‘cleaning of teeth at morning & night everyday’ etc.

The students detected with the diseases, like, worms-attack, Vitamin Deficiency, Calcium Deficiency, Headache etc in the camp, were provided with appropriate medicines by the doctors and the parents were advised to send their children in our next check up camp to follow up the treatment.

At end of the programme, Toothbrush, Toothpaste, Soap etc were distributed among the children.
