

Two DVCians, Shri Rajan Kumar Dubey and Kumari Pallavi Chakraborty, both Asst. Electrical Engineer posted in E&P Section in Kolkata, participated in the open National Contest for Smart Solutions for Urban Challenges, titled, “**Mera Shahar Mera Sapna**” organized by the Ministry of Urban Development in collaboration with MyGov and the National Institute of Urban Affairs (NIUA) from 15<sup>th</sup> to 20<sup>th</sup> June, 2015. The objectives of the competition was to encourage the citizens towards contributing their ideas and solutions for addressing challenges faced by Indian Cities. One submission by Shri Rajan Kumar Dubey has been awarded the first prize in the category “**Use of Information Technology to Improve Governance Services**”

The Prime Minister of India, Shri Narendra Modi has conferred a Certificate of Achievement and a cheque of Rs. 40,000/- as first prize to Rajan Kumar Dubey on 1<sup>st</sup> July, 2015 at PM House, 7 Race Course Road, New Delhi.

The Chairman DVC has congratulated Shri Dubey for his great achievement and appreciated the efforts of DVCians to contribute to the Nation building. He also, expects that this feat would inspire others DVCians in their respective fields.
