#### DVC quality circle teams qualify for global competition

**KOLKATA:** Two quality circle teams have qualified for the international competition. The two teams qualified for the national competition held at Chennai and both teams won the highest category award in case study category and excellence category in lean category award in December-2015. As many as 25 Quality Circles have been formed at CTPS as per policy and registration with Quality Circle Forum of India (QCFI). Quality circles were introduced in DVC in 2012.
