OFFICE ORDER

The OM regarding revision of Pension/Family Pension etc. w.e.f 01.01.2016 was issued vide No. PL-28/734(Con.)/Pay Revision(Pension)-2016/-684 dt. 23.08.2017. As per the above mentioned OM, two methods for pension revision were mentioned namely Method-I & Method-II. But, revision of pension as per Method-II could not be done due to unavailability of Concordance tables in respect of some of the pay scales which were different or non-existent compared to GOI pay scales. GOI vide its O.M No. 38/37/2016-O&PW(A) dt. 06.07.2017 has issued the concordance tables.

The Corporation is pleased to adopt the above mentioned GOI OM No. 38/37/2016-O&PW(A) dt. 06.07.2017 in DVC subject to the stipulation that in respect of pay scales not similar/non-existent vis- vis GOI pay scales, the Pension revision as per Method-II would be done as per para 4 of the said GOI OM.

This issues with the approval of the competent authority.
