## Message

Upholding the values and ethics in both personal and professional interactions is of utmost importance for a fair, equitable and corruption free society. As responsible citizens and public servants, we have a collective responsibility towards ensuring that all stakeholders conform to the code of conduct and integrity norms. To reinforce the importance of such objectives, several initiatives are taken by the Central Vigilance Commission (CVC) from time to time. One such initiative is the observance of the Vigilance Awareness week once a year. Like every year, the CVC has decided to observe Vigilance Awareness Week from 28<sup>th</sup> October to 3<sup>rd</sup> November 2024 involving all stakeholders across the country with the following theme:

“सत्यनिष्ठा की संस्कृति से राष्ट्र की समृद्धि”

“Culture of Integrity for Nation's Prosperity”

As a stakeholder, Damodar Valley Corporation will be observing Vigilance Awareness Week throughout the organization with focus on capacity building, improvement of processes, updation of manuals, disposal of complaints and use of digital tools for greater awareness of concerned stakeholders.

Let us use this opportunity to contribute to the focus areas with a participative approach for a successful and fruitful Vigilance Awareness Week 2024
