:	1 MTPS	Procurement of 02 Nos. of Upper Journal Bearing Part No-VA10000273002 of XRP 1003 coal mills on ground of Urgency.	TRADE INDIA CORPORATION	Single(Urgency)	Recently one no. of Roller Journal Assembly each of CM #7H and CM#8F has been found to be running with abnormal sound. Upon inspection it has been observed that the upper journal bearing is having high clearance and is required to be replaced. Presently the coal mill's are running with low feeding and have abnormal sound in the roller journal assembly. The upper journal bearing needs to be replaced with a new one, failing which the coal mill's shall become unavailable anytime. Break-down of any other mill shall immediately lead to generation loss and fuel oil consumption. The current stock in hand of the Upper Journal bearing is NIL. CM#8F and CM#7H require replacement of one no. of upperjournal bearing each. A file has been initiated for bulk procurement of coal mil's upper and lower journal bearings, but the finalization & supply of the bearings shall take time. Keeping in view the critical condition of mills & NIL stock, the procurement of two nos of upper journal bearing is urgently required. Keeping in view the urgent situation, an email seeking firm offer for purchasing two nos. of upper bearing was sent to all the registered vendors (SKE, FAG, TIMKEN. NBC, NSK & NTN) vide multi SS O/o - C&M/Ha/MULTISOURCE/DVC/800 dated 07/06/23 on the condition to supply 02 nos of bearings within 7 days. Out of all the six vendors, only M/s Trade India Corporation (Authorized distributor of Timken Bearings) and M/s J. Umashankar & Co. Pvt. Ltd (Authorized distributor of NTN Bearings) accepted the condition of supply of bearings within 7 days. Other vendors expressed their inability to deliver the bearing within such a short span of time. Upon comparison of unit rate of the M/s J. Umashankar & Co. Pvt. Ltd and M/s Trade India Corporation, the L1 price @ Rs 2,78,775.00 (Excluding GST @ 18%) has been offered by M/s Trade India Corporation, The firm has also confirmed to supply the bearings within 07 days from the date of placement of PO.	MT/O&M/QSF-05-07- 02/23- 24/EBA/Single(Urgency)/B MS U#7&8/DKS/684 Dated 07/12/2023	Rs.6,57,909/-	8.3(iv)	
2	2 MTPS	IIImit# I to 3 ()EMS#1	Unicon Techno Solutions Pvt. Ltd.	Single(Urgency)	1)There are five (05) nos. of Ash water pump in Ash water pump house, U#1-4. Out of these three (03) nos. of pumps are running continuously to meet supply of water in ash handling plant for disposing ash and ash slurry. Two pumps are kept in stand by condition for ready back up if break down or regular preventive maintenance of any pump. These pumps are vital and directly related to Ash handling plant as well as plant generation system. Outage of these pumps may create environmental issue in Ash handling plant, so it is very much essential to make available. All pumps are being run alternately and these are running since long. But at present 03 nos. of Ash water pump became not available due to some spares got damaged. The condition of other running two pumps are not also in good condition and require maintenance. An indent (No: DVC/INDENT/OFMS 1/00402) already is in process & laying in CMM section for procurement of spares of ash water pumps, meanwhile it's needed to procure immediately for some spares to make available of 03 nos. of Ash water pump. 2)Restoration of Ash water pumps under break down of Unit# 1 to 3 is to be done, indented items are related to damaged pumps. It has been decided to expedite the job so that Unit can be run smoothly with any problem in bottom ashing and other ash plant activities. Restoration is in progress to be restore in minimum possible time, indented items needs to be procured on urgent basis. 3)Items with nil stock are urgently need and hence procurement is to be done through single tender nomination basis on urgency ground and outside Gem portal. Considering the urgency for restoration work of Ash water pump budgetary offer has been taken from M/s Unicon Techno Solutions Pvt. Ltd. for awarding the contract on single tender nomination basis on ground of urgency. The firm has already executed P.O. of similar types of spares in the past. The quoted price of the firm seems justified with the rate available in back up sheet/P.O. of DVC of similar type of spares.	MT/O&M/QSF-05-07- 14/23- 24/EBA/Single(Urgency)/O FMS/DKS/704 Dated 29/12/2023	Rs.9,07,410/-	8.3(iv)
