No. Coml./Export/JBVNL/2020-21/774

Date. 17.12.2020

To

The General Manager (C&R),
Jharkhand Bijli Vitran Nigam Limited,
Engineering Building, HEC, Dhurwa,
Ranchi- 832004.

Sub: Notice for Regulation of power to M/s Jharkhand Bijli Vitran Nigam Limited (JBVNL), due to default in payment - reg.

Ref: Our letter no. No. Coml./Export/JBVNL/2020-21/681 dtd 03.12.2020
Our letter no. No. Coml./Export/JBVNL/2020-21/752 dtd 14.12.2020

Dear Sir,

DVC has raised power supply bill to the tune of Rs. 150.29 Crs. for the consumption month of September, 2020 on 01.10.2020. The due date of payment as per existing PPA was 16.11.2020. We regret to inform you that in spite of repeated requests, DVC is yet to receive the above-mentioned payment from JBVNL till date.

It may also be noted that, the total outstanding dues from JBVNL as on 10.12.2020 is Rs. 4949.56 crs. This is badly affecting DVC's working capital. As a result, DVC is not in a position to liquidate its liabilities mainly towards coal payment which in turn is affecting the generation of thermal power stations of DVC.

It is to be noted that as per clause- 6.2.9 of the PPA, if JBVNL have failed to liquidate the dues, DVC is entitled to regulate the contracted capacity.

In view of above, DVC propose to regulate power of JBVNL from KTPS U#1&2 in terms of PPA &CERC Regulation as per following:

By 180MW (30%of 600MW) for the 1st week w.e.f. 00.00 Hrs of 21.12.2020

If no payment is received from JBVNL towards the above dues, then the above regulation quantum of 30% will be enhanced by 10% in each subsequent week.

Regarding diversion / absorption of regulated share, if any response from the constituents is received, the same will be communicated to RLDC. As per requirement of CERC (Regulation of power Supply) Regulation, 2010 DVC is also posting Regulation Notice on DVC website: <http://www.dvc.gov.in>.

The proposed regulation of power would be implemented w.e.f. 00:00 hrs. of 21.12.2020 and onwards as per CERC Regulation/PPA. JBVNL will be liable to pay the fixed charges during the regulated period. A copy is being sent to SLDC, DVC Howrah to prepare implementation plan for regulation of power supply to JBVNL & implement the same as per procedure laid down by CERC (Regulation of power Supply) Regulations, 2010 and list of constituents who would avail the regulated power would be given to ERLDC within a week time.

Yours sincerely,

(M.C. Rakshit) 17/12/20

Chief Engineer (Commercial)
