The Chief Engineer (C&R), Jharkhand Bijli Vitran Nigam Limited, Engineering Building, HEC, Dhurwa, Ranchi- 832004.

Sub: Notice for Regulation of power to M/s Jharkhand Bijli Vitran Nigam Limited (JBVNL), due to default in payment to the tune of Rs. 4955 Crore upto consumption month of November'19.

Dear Sir,

We regret to inform you that DVC is yet to receive payment against our Power Supply Bills for an amount of Rs. **4955 Crs** which is overdue as on date.

In spite of our repeated requests for payment of monthly invoices within due date, JBVNL have miserably failed to pay the invoices, causing an outstanding amount of **Rs. 4955 Crs**. As per the terms of PPA & CERC/JSERC Regulation, the entire amount under the invoices is required to be paid in full within due date. M/S JBVNL have dishonored the terms of PPA & failed to pay the monthly invoices within due date.

The details of default amount are as follows:

Outstanding dues: **Rs. 4955 Crs** upto consumption month of November'19

It is to be noted that JBVNL have failed to liquidate the outstanding dues till date which has resulted in increase of substantial amount due to incidence of LPSC, in terms of the CERC/JSERC regulation.

This is badly affecting DVC's working capital. As a result, DVC is not in a position to liquidate its liability mainly towards coal payment which in turn affecting the generation of thermal power stations of DVC.

In view of above DVC propose to regulate **50%** quantum of allocated power of JBVNL in terms of PPA & CERC Regulation from following Stations:

From KTPS U#1&2 : 300 MW (50 % of 600 MW)

TOTAL : 300 MW

If no payment is received from JBVNL towards the above dues, then the regulated quantum of 50% will be enhanced by 10% in each subsequent day.

Cont.....P-2

The suspension of power shall be effective after 15 days from the date of issuance of this letter. Regarding diversion/absorption of regulated share, if any response from the constituents is received, the same will be communicated to RLDC. As per requirement of CERC (Regulation of power Supply) Regulation, 2010 DVC is also posting Regulation Notice on DVC website <http://www.dvc.gov.in>.

The proposed regulation of power would be implemented w.e.f 00:00 hrs of 25.02.2020 as per CERC Regulation/PPA. JBVNL will be liable to pay the Fixed charges during the regulated period. A copy is being sent to SLDC, DVC Howrah to prepare implementation plan for regulation of power supply to JBVNL & implement the same as per procedure laid down by CERC (Regulation of power Supply) Regulations, 2010 and list of constituents who would avail the regulated power would be given to ERLDC within a week time.

Yours faithfully,

10/02/2020
